TVS 

INDIA'S 1ST SCOOTER WITH

PLAY SMART. PLAY NEXT

THE NEW TVS NTORQ 125 XT IS HERE!

*A scooter that puts you ahead of the rest on all fronts.
Whether it be performance, technology or style.
The TVS Ntorq 125 XT never ceases to amaze.*

NEW

NEON COLOUR SCHEME

WITH NEW GRAPHICS

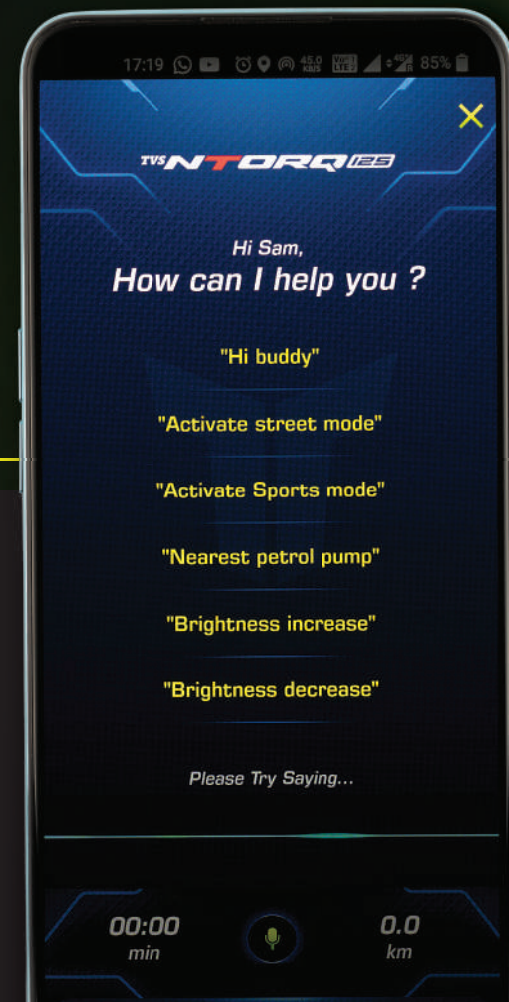

Get everyone's heart pumping as you ride by with the new and super stylish neon colour scheme coupled with new graphics.

Experience convenience like never before with

TVS **SMART XCONNECT**

Interact with the scooter by using a range of Voice Assist Commands and have it responded through SmartXTalk or as part of the upgraded UI/UX on the speedometer.

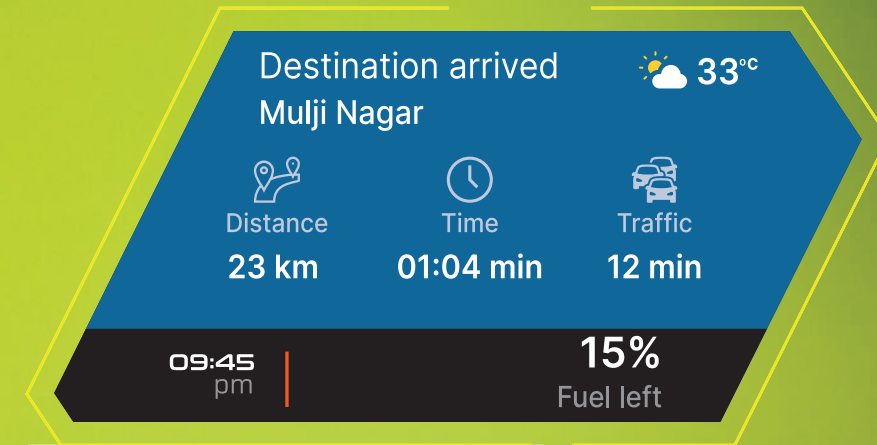

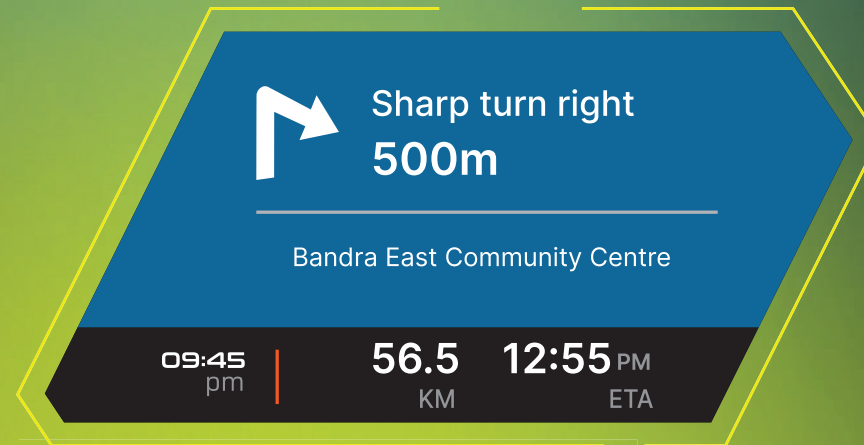

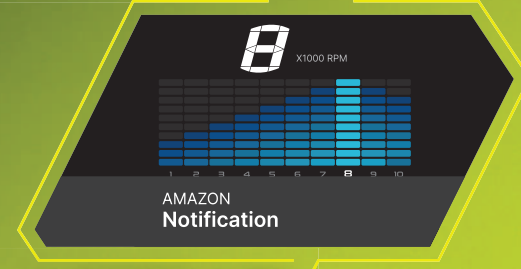

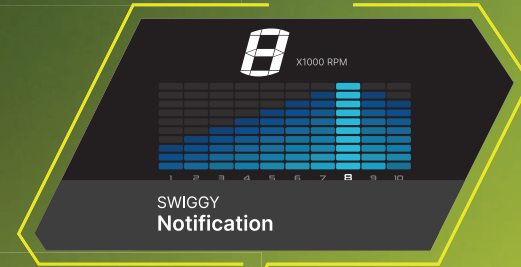

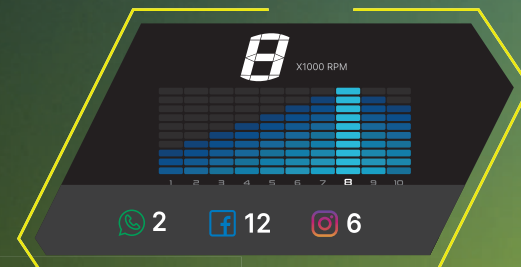

Enjoy a truly personalised connection with your scooter! Set up the scooter with the

app and be able to use your own image as Profile display.

Get notified on the go with Social Media Integration that allows from SmartXtrack from social sites, e-commerce and a range of offline notifications. You will also be able to share your own Ride Records and other Achievements.

NEW ADVANCED NAVIGATION SYSTEM

Now ride your scooter freely with New Advanced Navigation and never get lost again. Simply ask your N-Torq where you need to go with Navigatory Voice Commands and it'll respond with Audio Navigation Assist and if listening to the scooter isn't possible, you can simply follow the Graphic Navigation Display that gives you turn-by-turn instructions.
